

PDRR Update

April-June 2022

We started April by preparing the shower house to receive the trusses and roof. April 22-24 FCF Spring Trace was held. Several other projects were completed – putting metal on the new pavilion, upgrading all lights in the store to LED, fixing several circuits in the house to make them safe, pressure washing the wood on the slide. Finally, April 29th and 30th the shower house truss and roof was completed.

A very special thanks to everyone who came on April 29th and 30th – major milestone and a lot was accomplished!

May 21st – District Leaders Conference

June 4 – River of God youth and FCF work day

June 24-26 - - PDRR PowWow

Sneak Peak on Camporama – couple pics

FCF Spring Trace held April 22-23. 96 in attendance and over \$2,000 raised for missions in auction.

In April, George Pentz and Steve Steffel finished plates on top the wall and Steve added the hurricane ties to prepare for truss installation.

There were 18 working at camp on April 29th so one team completed the metal on this Pavilion, others were mowing and pressure washing the woodwork on the water slide while the other team was working on the Trusses and Roof of the new Shower House.

Chad, Max and Mark adding metal to the eaves to preserve the wood from the elements.

Rob McCoy operating the crane, lifted each truss into place, George Stitely overseeing operation.

Rowland Troutman and Geroge Stitely adjusting a truss placement, Damon Troutman in background. Looking over the progress of the crane truck picking up the trusses. Brent Heller and another team member installing 2 x 8 eave.

Trusses in place, a few more purlins needed – end of the day April 29

Brent and Riley Heller worked on installing purlins and other wood trim and Rowland and others were busy installing the metal roof.

Team on April 30 – Doug Revell, Rowland Troutman, Riley Heller, Fred Moyer, Brent Heller and Wyatt Heller. Steve Steffel taking picture and George Pentz not in picture. We didn't get a team picture for April 29th, but there were 18 working at the camp.

Metal Roof and Ridge Vent Complete – April 30

District Leaders Conference – May 21, 2022

- Our DLC started with a tour of the PA State Capitol. I failed to get an official complete group photo, but the first picture is in the main rotunda before the tour began and the second picture is in the Supreme Court. We then went to the Ministry Network in Mechanicsburg for lunch and a short meeting.

- 6/4/2022
- River of God youth were camping this weekend and getting ready to enjoy the water slide. (Upper left and/lower right)
- George Pentz mowing the RK area.
- Chad and Clay Hetrick fixing the water slide pool and railing – upper right.

- 6/4/2022
- Andy Baker prepared the site for 5' of geo-grid, then is tamping. He also dug up the propane tank which had floated in the spring thaw.
- Darryl Eberly, Jeremy Shuey and Steve Steffel worked on the retaining wall.
- Rich Morrow, Trent Wickard, JJ Wickard, and Joe Brockmeyer work on the shower house - each end of one of the inside walls – with vent pipes inside.

PowWow – June 24- 26, 2022

Attendance: 205 -- 21 RKs, 45 DRs, 34 ARs, 18 ERs,
67 LDRs, 20 Volunteers

Response at Services: Well over 55 – Salvation,
Recommitment, Baptism in the Holy Spirit, prayer for
needs

Water Baptism: 9

Financial: Income-Expense = \$5,544.23 (Support for
District activities)

(Expect more pictures in the future)

- Evening Services, and final Sunday AM service - -too hot outside so is inside main pavilion

Sneak Peak – Camporama July 11-15

1-Unwanted adventure –trailer wheel got lose, had to replace rim, studs and lugs, 2,3-Air Cannons (PennDel District supplied event – busy all Camporama), 4-Packing up Friday, banner in background, 1st Place District Entrance Banner at night

PennDel also had best flag, was 2nd in District attendance and our shooting teams did extremely well taking 1st, 2nd and/or 3rd places in several shooting events.

We had 114 registered for Camporama. There were about 2,500 in attendance. Activities, devotions and evening services were excellent. Many responded at each service.
