Apr 1 – JJ Wickard, Wyatt Heller and Steve Steffel work on supplying block and mortar mix.

Rich Morrow and Brent Heller laying block between shower stalls.

Joe Brockmeyer and Rodney Shuey installed a fuel pump in the diesel tank, lower barn – we purchased that diesel at \$1.69/gallon

Rodney Shuey, George Pentz, Wyatt Heller prepping the the 15' Batwing finish mower and 8' mower. Blades sharpened, greased, oil checked and tested out. The batwing seems to work well. Hydraulics fold it up nicely.

April 4 - Ron Adlesic and Steve Steffel continue work on the entrance wall.

April 14 – Rich Morrow finishing a shower dividing wall for 2<sup>nd</sup> Quad being expertly assisted by Ian, Isaac mixing mortar and Jess cutting block to fit. They have come up a number of Fridays - - a great team. Geroge Pentz mowed the grass using the new John Deere zero turn and Kubota tractor with 8' deck.

April 15 – Andy Baker, Ron Adlesic, George Pentz and Steve Steffel work on the entrance wall. A wet day in the morning – but when the going gets tough, the tough get going – a lot was accomplished on the entrance. Back filling and trenching for electric pipe. All block inside columns done.

April 15 - Ron Adlesic and Andy Baker in discussion. We are very thankful for their expertise – masonry and excavation and volunteering time and equipment.

April 22 – FCF  
Spring Trace,  
Pastor John  
Hendron  
bringing the  
Word and  
George Pentz  
running the  
new 72" zero  
turn.

April 28 – Rich Morrow, George Pentz, Steve Steffel and Jadon Culp work on shower walls (correcting a vent pipe) and Sally Steffel works on painting gray trim in kitchen. Also, working to organize shelving and storage in basement.

Kitchen renewal nearing completion for upcoming PowWow.

May 1-3 - Steve Steffel representing Royal Rangers at the Summit Conference

May 13 – Andy Baker, Mike Ardeno, George Pentz and Jadon Culp install 6” sewer line and two 1” electrical pipes to the back of the shower house where the septic tanks will be.

May 26-29 A group from Newville Assembly of God enjoy the RV area

The pipe system includes a clean out, pipe for dump station and has capability of tying in future kitchen.

May 26-28 – South Central West enjoys sectional PowWow with barbeque chicken on the menu.

**June 10 Workday** – George Pentz mowing, Ron Adlesic working on entrance, Henry Eberly enclosing a storage shelf, Darryl Eberly preparing the store, Rich Morrow, JJ Wickard, Jess, Isaac and Ian building interior walls for the shower house – completed before PowWow!

**PennDel District  
Royal Ranger  
PowWow -- June  
23-25, 2023**  
Climbing Wall,  
Water Slide,  
swimming hole in  
creek beyond  
end of slide, and  
Outpost 198 –  
winner of site  
inspection. Over  
250 attended.

Dan Fuller in the "new" kitchen and in the basement with ice machine, and commercial refrigerators and freezers. "Tyco" not only showed the boys armor but demonstrated. Pat and John preparing potatoes.

The Ranger Kids have a great program each year, thanks to some great leaders. If you are interested in serving, please let us know.

Top Expedition Rangers with awards. Saber Ceremony - Eli Craft receiving his saber. Water baptism – 18 boys were baptized. Boys and leaders getting a ride in the trailer.

Evangelists Dan and Mariah Boll ministered. Kevin, Andrew and Kenny led worship. The general store proved to be the go to place.

Paint Ball, Tanagram Puzzle, Archery and the Zip Line

Jason and Chris after PowWow emptying the green storage trailer - -it has reached end of life and to add to the leaks, a branch came through the roof – see lower picture. Both trailers are shot and will need to be pulled out. Lets get the shower house done so we can get moving on a permanent solution for the pageant area.

June 29, 2023 Ron Adlesic and Steve Steffel work on the entrance – starting on the wall which will have the logos of Royal Rangers and PennDel Royal Rangers plus wording and lighting. The brick used in the pillars was all donated and the 12” brick for the wall was pennies on the dollar. White plastic rail will go between the pillars.
