Dear Friend,

There is a growing need in our nation—a need to develop the next generation of men who live with integrity, serve others selflessly, and follow Christ wholeheartedly. As we witness a culture increasingly filled with division and moral confusion, the call to prepare our young men for a life of Godly character and servant leadership has never been more urgent!

Today, I ask, is there not a cause?

At Royal Rangers, we are answering this critical need by mentoring boys in grades K-12 through a Christ-centered ministry focused on building Godly character and lifelong servant leaders. Through seven proven methods—Friendship, Activities, Identity, Achievement, Discipleship, Leadership, and Service—Royal Rangers is equipping boys to become the leaders our families, workplaces, and communities need.

A key part of this mission is Royal Ranger Camp Berry, a 135 acre facility nestled in the beautiful hills of Central Pennsylvania. Camp Berry is more than a campground; it is a sanctuary where boys and leaders connect with God and one another through activities like zip lining, rock climbing, paintball, archery, and more. Here, boys experience the adventure of the outdoors while learning the foundations of faith, courage, and responsibility.

To continue this vital work, we need your help! Camp Berry is in the process of several infrastructure improvements to better serve our boys and leaders. Currently we are building a new shower house facility and developing outdoor activity areas. Royal Rangers is a 501(c)(3) organization, and all gifts are tax-deductible. Furthermore, every dollar donated goes exclusively to materials needed for these improvement projects. Our staff is comprised entirely of volunteers who graciously donate their time, talents, and resources!

By investing in this mission, you are directly contributing to the spiritual renewal of our nation—one boy at a time. Will you partner with us to mentor and prepare the next generation of Godly servant leaders? Your support will directly impact boys across Pennsylvania and Delaware, ensuring they have a place to grow spiritually, emotionally, and physically. Together, we can create a legacy of young men who will stand to lead their families, churches, and communities with unwavering faith and servant hearts.

Is there not a cause? Will you answer the call by standing with us in this mission?
