OUTPOST OF THE YEAR AWARD (OOTY)

Outpost Of the Year Award (OOTY) will be awarded for top honors. The "OOTY" will be determined based upon participation at Adventure Weekend as described below. See if your outpost can walk away with this year's "Outpost of the Year" honors. Uniform Inspection, Campsite Inspection and Event Participation are required to qualify for the Outpost Of The Year (OOTY).

UNIFORM INSPECTION

Uniform Inspection points will be earned according to the enclosed Uniform Inspection sheet. The Utility and Specialty uniforms will be the primary uniforms inspected. Dress uniform will be inspected if requested. A possible 100 points can be earned. With the variety of Utility and Specialty uniforms points earned will be based on the uniformity of the outpost.

CAMPSITE INSPECTION

Campsite Inspection is required to be eligible for the OOTY. Each Outpost turning in a form will have its campsite inspected. Campsites should be kept in good order and ready for inspection to earn the maximum points. Each Outpost must have a sign or banner that clearly identifies its campsite. Campsite inspection will be based upon the enclosed "Campsite Inspection" sheet.

ACTIVITY PARTICIPATION

Activity Participation is also required to qualify for the OOTY. Outpost will receive credits by participating in the planned activities. Points from the above inspections will be tallied to determine if an Outpost receives the blue, red or yellow Outpost Excellence Award.
