

Pathfinder Missions Trip

Work at PennDel Royal Ranger Camp Berry

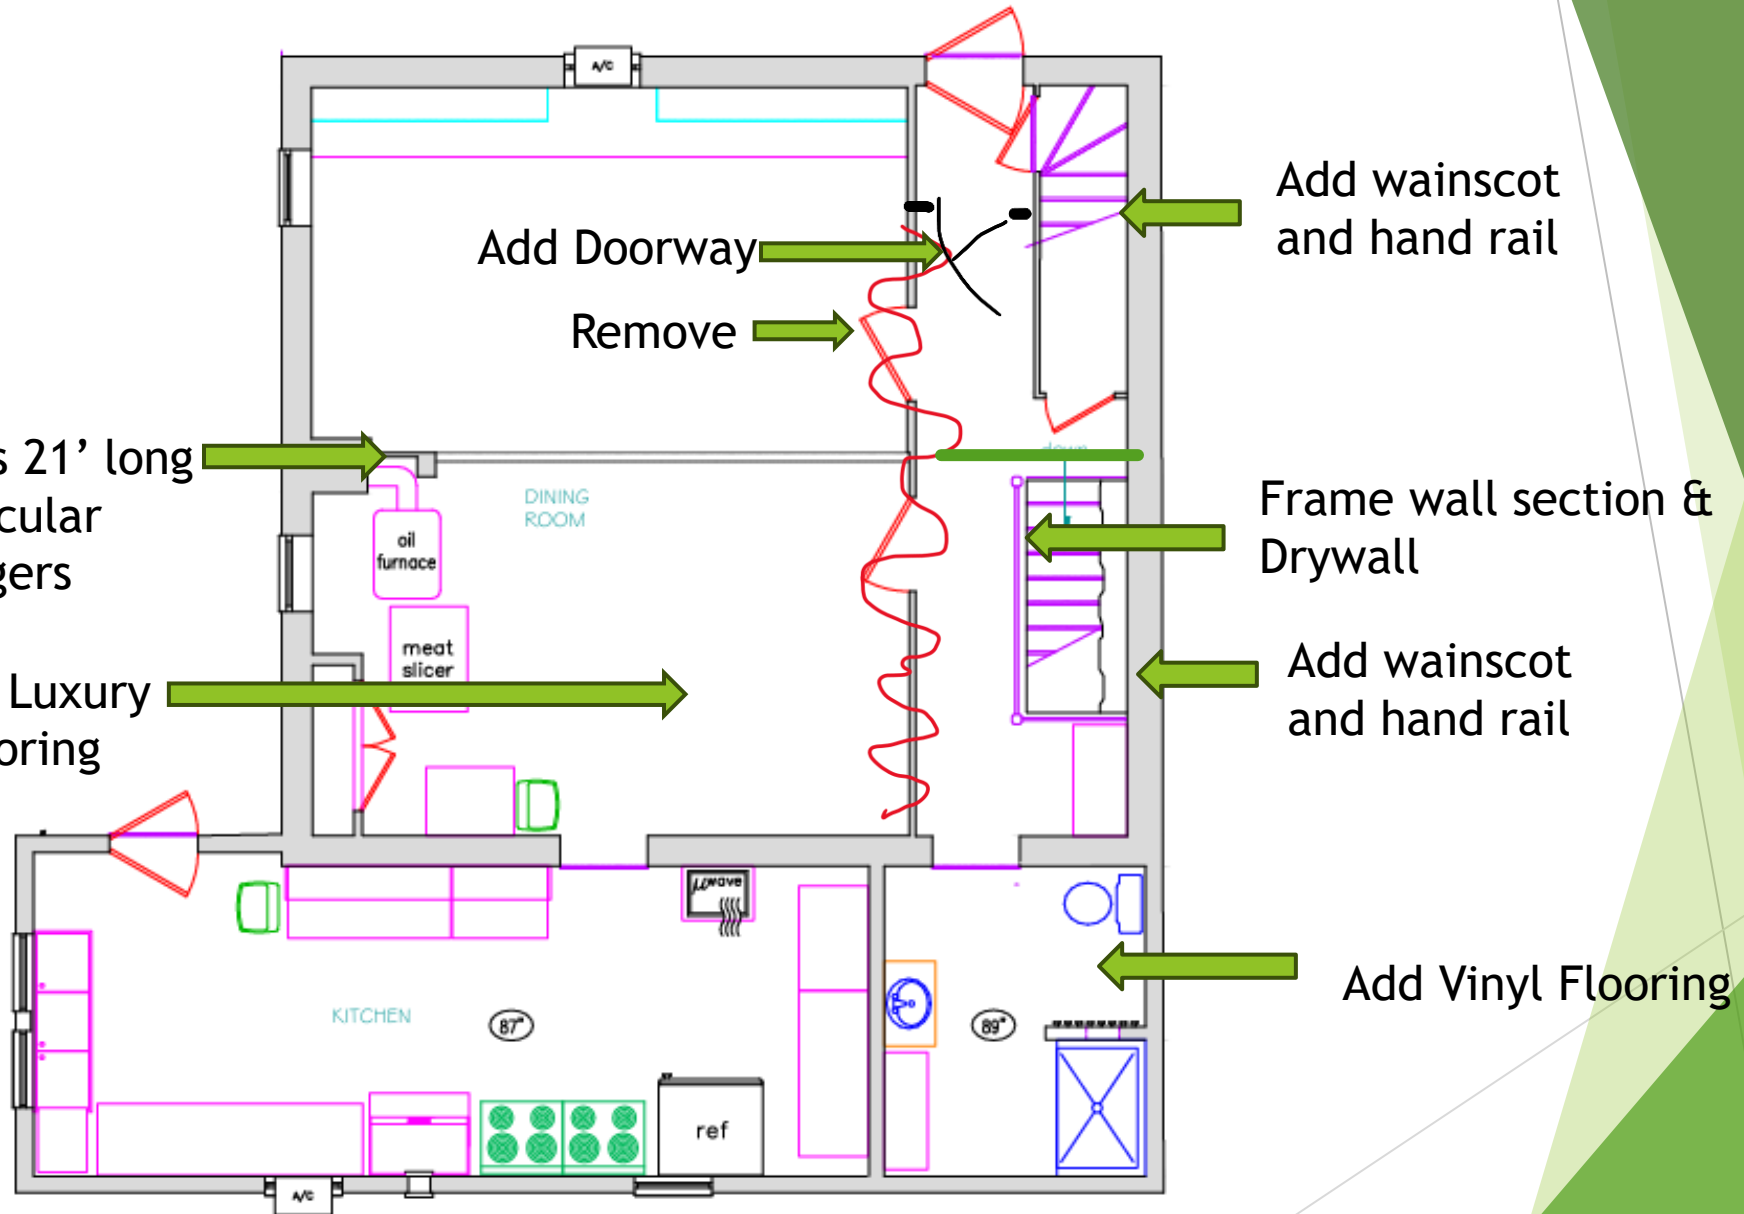

September 5-14, 2025

Work to be done at Camp Berry on the Farm House

- Add LVL beams to 2nd floor support and hangers to other joists, then make main area bigger, level the floor and add flooring
- Install wainscot to stairwells and stair rails
- Add hard wired smoke detectors to all bedrooms and floors
- Add a second access to the upstairs with outside stair structure of treated wood
- Add concrete floor to basement with plumbing for a bathroom, work sink, and washer/dryer
- Add insulation to the attic
- If time allows, install perimeter around rubber roofing under front wall

Add 5 - 7.25 LVLs 21' long
and on perpendicular
beams, add hangers
